ABORTION REGULATION: Requiring parental consent before a minor child's abortion, notwithstanding previous judicial concerns?

OPPOSE

ACCESS TO HEALTH CARE: Increasing access to care for uninsured Floridians, especially the working poor?

SUPPORT

Optional Candidate Comment: *If elected I would be the only medical doctor in the State Senate. I believe that I can provide a much needed perspective to the Legislature when it comes to providing access to healthcare. I support expanding Medicaid in Florida and will work to expand access to healthcare for the uninsured and those in rural areas with significantly less access to care.*

AFFORDABLE HOUSING: Using all state housing trust funds as intended to address affordable housing needs in Florida?

SUPPORT

Optional Candidate Comment: *I believe that one of the biggest failure of the Legislature in years past has been their refusal to utilize the Sadowski Fund as it was intended. I want to go to the State Senate to ensure that we are using every tool available to provide affordable housing across Florida.*

DEATH PENALTY REPEAL: Ending Florida's use of the death penalty while preserving the alternative of a life sentence without parole?

SUPPORT

END-OF-LIFE PROTECTION: Preserving Florida law that bans physician-assisted suicide?

NO RESPONSE

FREEDOM TO SERVE: Allowing individuals and organizations the freedom to serve the public in accord with reasoned conscientious beliefs related to sexuality and marriage?

OPPOSE

IMMIGRATION: Urging Congress to undertake extensive immigration reform, rather than adopting piecemeal state policies?

SUPPORT

JUVENILE JUSTICE: Establishing that children under 14 shall not be transferred to the adult criminal justice system?

SUPPORT

Optional Candidate Comment: *We need to ensure that children in our criminal justice system are treated as such and not thrown into the same system as fully grown adults which can have devastating and life altering consequences.*

PARENTAL EMPOWERMENT: Creating education savings accounts to use for nonpublic school tuition?

OPPOSE

SAFETY OF SCHOOLCHILDREN: Expanding existing legislative initiatives to harden the physical security of nonpublic schools?
